Mrs. Frances Lucas

Dear Mrs. Lucas:

Thank you for your recent letter expressing your interest in becoming better informed about the nature of Communism.

We are grateful for your thoughtfulness in writing us. May I suggest that making yourself aware and reporting to the proper authorities any information which may bear on our national security is an activity quite appropriate for someone like yourself with a strong patriotic motivation.

Sincerely,

SIGNED Assistant to the Director

SAT. 3,1960 Approved For Release 2002/08/21 : CIA-RDP80B01676R003600120026 60-8069 Dear Sirs! I have been reading so much of the news concerning the activities and the methods being used by our enemies, namely Communicat activities and their infiltration of our Churchesland Schools (etc. I am wondering what a housewife might do to kelp combat these things How could one keep to recognize their tactics etc. Is there a place where the co to learn about these subnessine activities Joing on everywhere Is there anything that an ordinary Kousemele might be able to keep do to keep my country? maybe if me Knew what the do we could gather information or anything ilse I would be willing to do. I feel, were better informed he to enemice are working, rue would all be more on the alert and not be taken in so carry. In there anyway or anything That a lousinge can to
